

**PARENT/GUARDIAN PERMISSION FOR OUT-OF-TOWN EVENT ATTENDANCE**

NSAC has a number of meets every year outside the Twin City Metro Area involving an overnight stay on our regular meet schedule. In addition, there are other events our organization attends with our swimmers: Zones (regional meet), Nationals (nation-wide meet) and various special events/clinics.

Since most of our swimmers are minors, NSAC requires the parent/guardian to submit written permission for their swimmer to attend an out-of-town event that involves an overnight stay when the parent/guardian is not going to be in attendance. Supervision of your swimmer must also be arranged either with a specific adult who is going to attend, or ability to attend will depend on whether or not NSAC can arrange for appropriate adult supervision. The following form (or this whole page) can be photocopied, filled out and returned to the Head Coach or coordinator of the event.
